Within two months after opening, [The Green at Bloomfield](#) has become a centerpiece in a revitalized downtown Bloomfield and renters have taken notice.

The boutique 140-unit community has rented 50 percent of its homes.

The rapid leasing pace of the new-construction apartment development, designed and managed by [BNE Real Estate](#), was imagined specifically to appeal to

those searching for style-forward residences within vibrant, walkable communities that offer ample access to public transportation. The Green's easy access to Bloomfield's NJ Transit station has proven to be a critical asset for professionals enticed by its easy commute to midtown Manhattan.

"Since opening our doors this fall, the outpouring of people who've decided to make The Green (their) home have confirmed what we believed all along -- that Bloomfield is the kind of community that's primed to attract renters of every age and demographic," BNE Real Estate Group Partner Jonathan Schwartz said. "We look forward to growing alongside downtown Bloomfield as it cements its place as one of New Jersey's most sought-after transit hubs."

The Green is ideally situated in an energetic part of Bloomfield, surrounded by an ever-expanding suite of bars, restaurants, shops, parks and other entertainment

options. Residents will enjoy convenient access to The Green's ground-floor retail space, which will soon be occupied by a diverse selection of retailers.

Inside, The Green offers a fresh aesthetic with a modern vibe accentuated by murals, contemporary furnishings, modern wood paneling and other distinctive elements of design.

In addition to its selection of studio and one- and two-bedroom residences, The Green features many trend-setting lifestyle amenities that blend with a cosmopolitan lifestyle, allowing residents to maximize their free time. These include a state-of-the-art fitness center, coffee bar, social lounge, work-from-home areas, roof terrace with resort-style lounge seating, package acceptance service and onsite parking.

A limited number of residences still are available at The Green. Visit RentAtTheGreen.com.

BNE Real Estate Group is a family-owned, vertically integrated organization with more than 60 years of experience in the development, ownership and management of high-quality real estate assets. Throughout the years, the company's demonstrated talent and long-range perspective has driven the success of a distinguished portfolio of properties, which include the development of more than tens of thousands of luxury homes, more than 1 million square feet of commercial space and the construction and ongoing management of nearly 8,000 apartments. Now in its third generation with more than 2,000 homes in the pipeline, BNE brings the assurance of a strong, reliable ownership team that is firmly committed to creating exceptional real estate experiences in key urban and suburban markets.

BNE's The Green features kitchens with stainless-steel appliances and white stone countertops.
