Description: THE LINK at Aberdeen Station is a rental apartment complex in Aberdeen, located within walking distance of the train station and Matawan's downtown, and part of a years-long transit village plan by the town. There are 227 units in the complex, and about 200 people have moved in. Leasing has begun for the fifth and final building. Two retail tenants have also signed on: Brooklyn Bagelry and Frutta Bowls. THE LINK aims to foster a social atmosphere, where residents have access to a casual lounge and a gym, private conference rooms, picnic and barbecue area, dog park and outdoor swimming pool. The complex is a collection of 227 units, and now home to 200 residents, many singles or young couples who commute by train. New modern units with features like white quartz counters, stainless steel Whirlpool appliances and tiled bathrooms are now available in the gated complex, in mostly one- and two-bedroom configurations with balconies. Rents range from \$1,840 to \$2,495. Each unit comes with a parking spot.

What's Next: An open house will be held Nov. 11 from noon-2 p.m. Leasing has begun for the fifth and final building, and management is offering two months free on leases in certain buildings.
