

## Leasing is underway at The Grove at Piscataway

### Amenity-rich living for suburban renters

**Residents and guests can enjoy the social setting of the ultra modern and comfortable lobby with fireplace and large-screen TV at The Grove at Piscataway.**

**BNE REAL ESTATE GROUP/STERLING PROPERTIES**

Developers BNE Real Estate Group and Sterling Properties recently announced that their highly anticipated new luxury rental community in Middlesex County, The Grove at Piscataway, is officially open for leasing.

Centrally located in the heart of Piscataway township, just minutes from Route 287, Rutgers University and several major employment hubs, The Grove introduces a boutique collection of brand-new one- and two-bedroom rental residences surrounded by a curated menu of indoor and outdoor lifestyle amenities.

Grand opening rents start from high \$1,800s and limited-time incentives of up to two months free are currently available, based on a 26-month lease.

“We’re thrilled to announce the opening of The Grove at Piscataway because it reflects our commitment to delivering highquality residences and a modern lifestyle experience to today’s renters,” said Marc Pantirer, a partner at BNE Real Estate Group. “Demand for rental residences that offer spacious layouts and upscale amenities is growing in markets across the state, and the Piscataway location will appeal to a lot of people. With value-oriented pricing that compares favorably to many other luxury communities opening in 2020, we believe the leasing campaign will be very successful.”

The Grove offers a sophisticated collection of brand-new apartments that blend the best of classic and modern living at desired value. Residences feature open-concept layouts, luxury plank flooring, custom modular closets, an in-unit washer and dryer, and more. Kitchens offer a refreshing palette of white quartz countertops, full-height tiled backsplashes, custom portobello cabinetry with bronze hardware, built-in wine storage, a gas range, a side-by-side refrigerator, and stainless-steel appliances. Select residences offer private outdoor space.

Steps from home, a full complement of amenities and services are integrated into the community’s design to enhance residents’ lifestyle experience day in, and day out. They include a state-of-the-art fitness center with virtual training technology, a co-working lounge, children’s playroom, and a clubroom with a bar, billiards and lounge areas. Twenty-four-hour onsite maintenance will ensure that residents are cared for around-the-clock, and packages can be delivered securely via Amazon package lockers. The pet-friendly community also features a dog spa.

Outside, a resort-style pool terrace is enhanced by an outdoor bar, BBQ grills, and surrounding lounge areas.

Prospective renters can visit [RentAtTheGrove.com](http://RentAtTheGrove.com) or call 732-968-5077 for more information or to schedule a private, in-person tour. Virtual tours are also available.
